

### **Player Fines Policy**

If an individual receives a fine resulting from RED and YELLOW cards, this is imposed by WaiBOP and the Club is then charged for these fines.

Fines are currently set at \$75 RED per day suspended and \$25 YELLOW. These are minimum amounts and are both subject to change.

On receipt of the club's fine notice from WaiBOP the player will be informed by the committee and must be paid within one month of the date the fine was received. If fines are not paid with that one month time frame a 10% late fee will apply. If the fines continue to remain unpaid a debt collection agency may be engaged.

Players with outstanding fines will not be considered financial members at the beginning of each playing year and the 10% late payment fee will continue to apply.
